PETITION. John Christopher Rushing Trust, a Texas trust, (Petitioner) filed a petition for creation of Rushing Meadows Municipal Management District No. 1 of Denton County (District) with the Texas Commission on Environmental Quality (TCEQ). The petition was filed pursuant to Article XVI, Section 59 of the Constitution of the State of Texas; Chapter 375, Texas Local Government Code; Chapter 49 of the Texas Water Code; Title 30, Chapter 293 of the Texas Administrative Code; and the procedural rules of the TCEQ.

The petition states that: (1) the Petitioner holds title to a majority in value of the land to be included in the proposed District; (2) there are no lienholders on the property to be included in the proposed District; (3) the proposed District will contain approximately 55.805 acres located within Denton County, Texas; and (4) all of the land within the proposed District is wholly within the extraterritorial jurisdiction of the City of Krum.

By Resolution No. 2026-05-02, passed and approved on May 4, 2026, the City of Krum, Texas, gave its consent to the creation of the proposed District, pursuant to Texas Water Code §54.016.

The territory to be included in the proposed District is depicted in the vicinity map designated as Exhibit "A", which is attached to this document.

The petition further states that the proposed District will: (1) purchase, construct, acquire, maintain, own, operate, repair, improve and extend a waterworks and wastewater system for residential and commercial purposes; (2) construct, acquire, improve, extend, maintain, and operate works, improvements, facilities, plants, equipment, and appliances helpful or necessary to provide more adequate drainage for the proposed District; (3) control, abate, and amend local storm waters or other harmful excesses of water; and (4) purchase, construct, acquire, improve, maintain, and operate such additional facilities, including roads, systems, plants, and enterprises, as shall be consistent with all of the purposes for which the proposed District is created.

According to the petition, a preliminary investigation has been made to determine the cost of the project, and it is estimated by the Petitioner that the cost of said project will be approximately \$12,950,000 (\$11,745,000 for water, wastewater, and drainage and \$1,205,000 for roads).
